MEET YOUR DISTINGUISHED FACULTY

Catharyn Baird spent 22 years teaching at Regis University where she developed a unique approach to resolving ethical dilemmas which sparked the creation of the EthicsGame.

Karen L. Brody practices in the areas of eminent domain, real estate and commercial litigation in a team oriented firm whose attorneys have over 100 years of combined experience.

Lisa DeCaro is a nationally known speaker, teacher and communications specialist whose trial consulting firm is dedicated to improving oral advocacy.

Troy A. Eid, a former US Attorney for the District of Colorado, is a recognized national expert in American Indian law, and one of Colorado's top attorneys in environmental and natural resource law.

Barry S. Engel is the founding principal of a Denver, Colorado-based law firm having an international client base and an international reputation for excellence in asset protection planning and integrated estate planning.

Frederick A. Fendel III has guided clients through the mysterious and often frustrating maze of Colorado water rights for over 30 years.

Darice M. Henritze provides an array of international tax planning and compliance services to help multinational clients anticipate and understand potential short- and long-term consequences of tax planning decisions.

John P. Imse has over 30 years of experience in consulting, including CERCLA and RCRA project management, litigation support and expert witness testimony.

Bill E. Kyriagis represents business and real estate clients in litigation, bankruptcy and land use matters and has developed expertise regarding the issues faced by landlord and property owners related to Colorado's medical marijuana industry.

Stephen Martin works with clients globally in all aspects of compliance program design, implementation, maintenance, evaluation, monitoring and auditing and corporate risk management.

Leonard Matheo is a nationally known speaker, teacher and communications specialist and co-founded the trial consulting firm, Courtroom Performance, with Lisa DeCaro.

Thomas J. Ragonetti focuses on land use, government regulation, public-private transactions and related matters and for over 25 years he has immersed himself both professionally and personally in Colorado and Denver development issues.

Daniel J. Sherwinter specializes in strategic intellectual property portfolio development, with an emphasis on electronics, software and mechanical art.

Andrew L. Spielman combines federal, state, and local government experience with natural resources, land use, and Western public lands law to assist energy developers, ski areas, water supplies, ranchers, Tribes and others with obtaining regulatory approvals and permits.

Jay M. Tiftickjian provides DUI defense and criminal defense representation in Colorado, including its mountain communities.
